

1704彩盒 210x210x245mm 18-12-12

LED

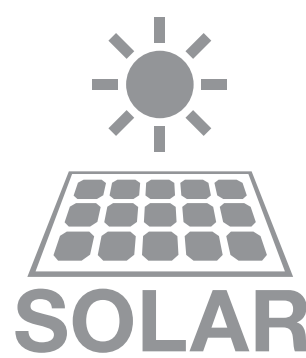

Tahoka

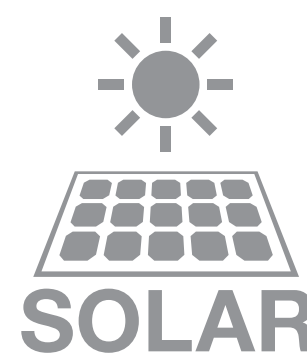

A diagram of a fountain pen. The pen is oriented vertically. A dimension line on the left indicates a height of 55cm from the tip to the top of the barrel. A dimension line at the top indicates a width of 20cm across the barrel. The pen features a spherical cap at the top, a small clip, and a long, thin nib.
