

Supplier name: THE FRAME MANUFACTURING COMPANY LIMITED

Supplier code: 105117

Department: DECORATION

Range of Product : ESSENTIAL TENDER

Kind of packaging : shrink wrap

Filling date: 2021 7 13

#### Introduction

Please found the Packing and Packaging Process.  
This file must be completed and compiled by the person who made the Selling Unit.

#### Weight Measures Requirements for packaging:

- To ensure accuracy of measurements, made 5 measures then made the average .
- All packaging elements are weighed without conditionning. *Note: For accuracy measurement, measure in controled atmosphere. Ref to ISO 187 (50% relative humidity and 23 degree Celsius)*

#### Specific informations:

- This informations filled in this file must be compliant with packaging specifications, ECO-FEES declaration and are able to be controled.

#### Certificate for the use of recycled

If the paper or cardboard used contain more than 50% of recycled AND that is generate an increase of the weight of the packaging compared to his equivalent made by virgin paper and cardboard, I am committed to providing the certificate for the use of recycled provided by ADEO.

## Packing process

### 1. PRODUCT PACKING PROCESS

### 2. INNER BOX PACKING PROCESS

### 3. OUTER CARTON PACKING PROCESS

### Packaging components declaration
